But if you ask a black, he will tell you that his ancestors had not invented anything, that his people have no history, that his ancestors lived in the bush like monkeys and they did not know God Not knowing then that we cheated on him, because all other peoples have referred to Africa to become what they are, because black civilization is the very first civilization of this world that has been plagiarized by all other peoples Who today comes back to give lessons of Morales to the black man. At first glance, the mikvah system speaks of limitations and constraints-a loss of freedom.
