It was in Antonio Candido, a leading Brazilian architecture critic, compiled a book list, and got donations of many volumes from different publishers. First, France and its underdeveloped army were not yet ready to engage in direct confrontation with their battle-hardened Spanish counterparts, and a weary, fractious French political establishment was unlikely to support any drawn-out military effort. To our knowledge, this study includes the first evidence that family background variables may relate differently to behavioural and reproductive outcomes in young adulthood in these two countries.
