Idonotseewhytheydon'tsetupthereownWebpage.Leettereeranobrevi,chi Spot on with this write-up, I really think this website needs a lot more attention. As Professor Nelson notes, a great deal has been written about globalization in higher education in recent years. The following visualization, from Card 19attempts to pin down the relationship between education and earnings, by comparing wages across education levels, genders

and age groups. If you don't "get it", just move on to the next topic.
